

Sometimes (Sherry's Song)

Sometimes I'm up. Sometimes I'm down
In this world there could not be a smile if it were not for the frown
Every 24 hours, if there's a night there's a daytime, too
No matter what shape my face may take
I'm always in love with you

Sometimes I'm caught so deep in thought
You may think that there's no room for you around my troubled mind
A love is hard to find, but it's worth it when you know it's true
No matter what shape my face may take
I'm always in love with you

Your love gave me a purpose
You love showed me the way
Your love gave my heart a song to sing
I'm gonna sing it every day

Just because I'm low sometimes, don't let me go
If you're looking for the perfect love, you'll be looking till your dying day
Just remember, Darling, when I'm feeling blue
No matter what shape my face may take
I'm always in love with you

Your love gave me a purpose
You love showed me the way
Your love gave my heart a song to sing
I'm gonna sing it every day

Sometimes I'm up. Sometimes I'm down
In this world there could not be a smile if it were not for the frown
Every 24 hours, if there's a night there's a daytime, too
No matter what shape my face may take
I'm always in love with you
In love with you
In love with you
