

Trouble-less Love

Just where'd you ever get the idea, little lady
You need to squeeze a tear outa me
Let me tell you how it's gonna be, little lady
I'm an easy man to please
Check your troubles at the door
Easy makes me want you more
Never get enough of that easy-goin' trouble-less love

Already seen enough dirty deeds, little lady
To last me for the rest of my life
You know, when I'm home I don't need, little lady
Another dose of trouble and strife
Trouble makes me want you less
That's my weakness, I confess
Never get enough of that easy-goin' trouble-less love

Trouble-less love, slow and steady
Trouble-less love, ever ready
Trouble-less love, easy does trouble-less love

Just where'd you ever get the idea, little lady
You need to squeeze a tear outa me
Let me tell you how it's gonna be, little lady
I'm an easy man to please
Check your troubles at the door
Easy makes me want you more
Never get enough of that easy-goin' trouble-less love

Trouble-less love, slow and steady
Trouble-less love, ever ready
Trouble-less love, easy does trouble-less love
Trouble-less love, easy does trouble-less love

Trouble-less love, trouble-less love, trouble-less love
